Christian Aims and Values

Values

Inspired by God: Father, Son and Holy Spirit we **Aspire** to be a community founded upon mutual trust where everyone is loved for who they are. We seek to **Serve** others by putting their needs before our own and believe that working together, with God's help, we can **Achieve** more than we could alone.

As a Church of England Academy, our core values are trust, love and community:

- **Trust** is essential to human life and lies at the heart of all successful relationships. With wisdom and understanding, we can learn to trust. We aim to do this by being reliable and not letting others down. In this way we, can help each other feel safe;
- Jesus has shown us love. We try to reflect that **love** to those around us by being sensitive to the needs of all members of our Academy community;
- We aim to be an inclusive **community**. Each person is needed, valued and important. When things go wrong we will forgive each other and make a fresh start. We will share what we have with those in need and try to treat others as we would like them to treat us.

Aims

As a Church of England Academy we aim to:

- Treat students, staff and visitors with respect;
- Incorporate and promote the values behind the academy motto; Aspire, Serve, Achieve in all we do;
- Instill a sense of self-worth and value in every student;
- Encourage student participation in the planning and the running of our Academy wherever possible;
- Encourage religious literacy as a way of interpreting the world around us;
- Encourage, challenge and support every person to achieve his or her potential.

ENGLISH AS AN ADDITIONAL LANGUAGE (EAL) POLICY

1. Mission Statement

Archbishop Sentamu Academy believes all EAL students should be able to retain their cultural and linguistic identity whilst enhancing English Language development. Similarly, all EAL students should be able to access the same academic opportunities and be able to engage with the curriculum.

2. Policy Aims

- To help integrate EAL students into the Academy by providing pastoral and academic support
- To provide support across the curriculum; specifically developing the acquisition of English
- To accurately identify and support any other needs

This in turn will enable students to:

- Understand the Academy's expectations and values
- Feel safe, valued and supported during their academy life
- Adapt to their new environment
- Integrate with peers and form positive relationships
- Progress in their academic work.

3. Transition Strategies

STEP 1: Admissions

All students to follow the Academy admissions procedure.

STEP 2: Assessment

- Initial assessments used are; Access Reading Test, Spelling Tests, writing level and speed tests and CAT test. If necessary, an online translator can be used
- Consideration and sensitivity is given to the appropriateness of testing EAL students at the earlier stage of the English acquisition
- Highlight any immediate need which should be prioritised when delivering intervention
- All assessment information shared with relevant staff members
- Completion of the Access Reading test repeated after one term at the Academy.

STEP 3: Integration

- Students with English as an additional language who join the Academy in Year 7 will follow the same transition procedures as their peers
- Mid-term arrivals will be met by their Year or House Learning Mentor and our EAL HLTA, for an introduction to the Academy
- Where possible, new EAL arrivals should be paired with a student who speaks the same native language
- Where possible, EAL students should be paired with students with good communication skills and grasp of English to enhance their language acquisition. In some cases, the nurture groups may provide the supportive environment some EAL students require
- Class set placement reviewed after their first half term and changes applied if needed. However, this can be reviewed sooner if necessary.

STEP 4: Adjustment Period

- All EAL students will have a two week settling in period to adapt to their new environment
- Our EAL HLTA and all house mentors (X Population only) will monitor new starters especially during their adjustment period. The teachers and TA's will highlight any potential language barrier to learning to the EAL HLTA who can provide appropriate intervention
- Class teachers, EAL HLTA house mentors and support staff should observe;
 - student's communication and interaction with peers and staff
 - level of engagement in class
 - ability to respond to and apply new information
 - additional barriers to learning
- Students who demonstrate significant language barriers can start intensive English intervention immediately.

STEP 5: EAL Intervention

- Designated time will be allocated for English acquisition lessons
- The Academy offers Intervention programmes to suit the student's needs. For example, some students may require more English acquisition lessons to help them to engage with the curriculum
- Extra-Curricular sessions; to develop English Language, cultural awareness and community cohesion.

STEP 6: Monitoring

- All EAL students in the Academy have access to on-going support from our EAL HLTA
- Student's English language ability, academic development and social interaction with peers/ staff will be monitored continuously by the EAL HLTA and details/ progress compiled in a data sheet breakdown.
